## Get to know MAT

Hey! Everyone....Welcome to CATKing Family.

I am here to guide you about MAT. So, what exactly is MAT?

Management Aptitude Test (MAT) is a standardised National Level test being administered since 1988 to facilitate Business Schools (B-Schools) to screen candidates for admission to MBA and allied programmes. Govt. of India, Ministry of Education approved MAT as a national level test in 2003. Any B-School - national or international - can consider MAT Score as an admission input based on the Score Cards issued to the candidates. The largest test of its kind in the nation, MAT will continue to be your passport to over 600 B-Schools across India.

## Now, Lets see the Exam Pattern of MAT

## Now, Lets look on the MAT preparation Strategy

### Verbal Skills:

- Have a good command on vocabulary
- Practice previous year papers to understand the standard of RCs and Verbal section – Reasoning, Grammar, etc.

### Analytical Reasoning:

- Practice all types of topics through sectional mocks and time-bound
- This section is typically very scoring compared to other sections
- Do not make any assumptions rather focus on facts

### Quantitative Skills :

- Build conceptual clarity and practice shortcuts
- Focus on improving calculation speed and solving case studies related to Data Interpretation
- Memorizing tables and charts like squares, cubes, etc. usually proves very helpful because of the 60-min overall time limit which is minimal compared to other exams
