

REDISCOVERING MINDS 2026

THIS SUMMER, REDISCOVER YOURSELF AT
PATHWAYS SCHOOL GURGAON

Dance, Theatre,
Design & Technology,
Sports, Visual Arts,
and more...

Summer Camp brimming with
exciting activities and adventures!

PROGRAMME MODULES

(CHOOSE ONE)

Module 1

DANCE

This lively dance program will bring street-style moves to life with hip hop, dancehall and house footwork. Learners will boost their rhythm, coordination, and creativity through exciting, hands-on sessions – all while dancing their hearts out with friends!

Or

DRAMA

Theatre for learners is a journey into the heart of performance, emphasizing foundational skills such as method acting, character analysis, voice modulation, and understanding stage directions. Through role-play, improvisation, and script work, students learn to embody diverse characters, explore complex emotions, and connect deeply with an audience.

Module 2

VISUAL ARTS

In this fun-filled Art and Craft camp, students will get hands-on with painting, weaving, crafting, and more. From playful experiments to personal masterpieces, they'll explore different materials and techniques while letting their creativity shine. Along the way, they'll build confidence, sharpen motor skills, and learn to express themselves in unique, artistic ways. It's all about making, exploring, and having fun.

Or

DESIGN AND TECHNOLOGY

Young innovators will step into the dynamic world of design and technology, where ideas turn into real-world creations. They'll explore the design process, work with tools and materials, and bring concepts to life through model-making, prototyping, and basic engineering techniques. Along the way, they'll strengthen problem-solving skills, spark creativity, and build confidence by experimenting, testing, and refining their designs. It's the perfect space to imagine, design, and create innovative solutions.

Module 3

FUN WITH SCIENCE

As the name suggests, students will explore fascinating concepts through lively experiments, surprising demonstrations, and interactive activities. Through fun experiments, playful activities, and eye-opening demonstrations, students will explore the wonders of Physics, Chemistry, Biology, and more. Each session sparks imagination, encourages questions, and helps students understand the world around them in a joyful, interactive way. Science has never been this fun – come explore, create, and be amazed!

Or

FIRELESS CULINARY WORKSHOP

In this fun-filled Fireless Culinary Workshop, students will explore the joy of preparing tasty treats without using a flame. From mixing, assembling, and garnishing to plating with creativity, they'll learn simple, safe recipes using fresh ingredients. Along the way, they'll build confidence, improve fine motor skills, and develop healthy eating habits while expressing themselves through flavors and presentation. It's all about creating, experimenting, and having fun—one no-fire recipe at a time!

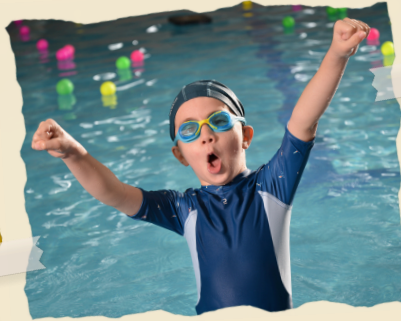

Compulsory

SPORTS (Squash, Badminton, TT, Yoga and Swimming)

Sports ignite passion, build character, and bring pure joy. From boosting fitness and focus to teaching teamwork, discipline, and resilience - the benefits go far beyond the field.

Through friendly competition, students learn to win with grace, lose with courage, and grow with every game. This is your child's chance to jump in, make friends, and stay active through a variety of sports activities – including the thrill of swimming.
